

Christmas Card

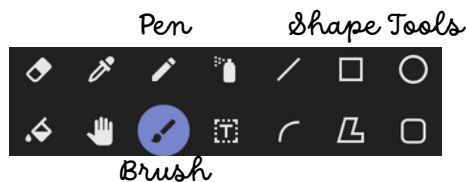

Digital Design

Suitable for KS1 Upwards

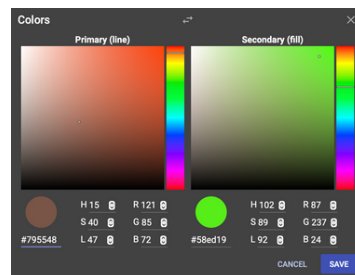

Step 1: Open the Paint App
<https://paintz.app>

Step 2: Use the pencil, brush and shape tools to draw your christmasy design!

Step 3: Change the colours by clicking on the main colour block and choosing your outline and fill colours.

Step 4: Use the spray paint tool to add in some snow or the text tool to add a message, like “Merry Christmas!”

Spray Paint Tool

Text Tool

Step 5: Print your final design and stick it onto a card. Send them to your families and friends. Don't forget to send one to us at education@archivesit.org.uk so we can display it on our website and social media!
