

AIT Year 6 T3 Worksheet 1

Data transfer, Communication and Collaboration

Communication	One-to-one, one-to-many or both	One way or two way	Public, private or both	Optional notes (consider benefits and drawbacks)
Video calling	Both	Two way		You need good internet signal. It's difficult to read body language. Sometimes there are noise distractions. However, you can contact people instantly from around the world.
BBC News	One-to-many	One way		Most devices allow live streaming. It is in real-time. You can communicate with millions of people instantly.
